

The regular Drop-in at the Villa Lafabrègue in Prades was much appreciated by the members and friends who came to attend the jewellery and cake sale. The weather was particularly kind, with a perfect late summer day to appreciate the beautiful gardens, buy some bargains, browse the paperbacks (and eat cake). Our thanks to our small team of helpers and all the kind people who donated jewellery. 220€ was raised on the day, with plans afoot to sell more jewellery at future events and online.
